- d) Each vendor is responsible for the products he or she sells.
- e) Winter market stalls are available to vendors who participated during the regular market season. Stalls are not assigned at the winter market. The winter market is held on the 1st and 3rd Saturdays of each month from November through March. Hours are 9am-noon. The market is located at Bomgaars Mankato at 1940 Adams St, Mankato, MN 56001. - e) Vendors may bid for vacant stalls at the March meeting by filling out a bid form. Vendors will indicate on the form the number of Saturdays they attended the previous season and how many years they have been a member of MAGA. For the purposes of determining the winning bid, each Saturday attended the previous season will count as one point and each year of MAGA membership will count as two points. The present year will not count toward years of membership. (For example, if the bid is for 20 market dates and the vendor has been a member for three years, the bid is 26.) New vendors will receive one point for each Saturday they commit to attending.
